

Notice for Level 4, Term 1 Students Regarding ME 400 and ME 370

ME 400: This is to inform you that in the last week of class of **Level 4, Term 1** you will have to participate in an interim oral exam to present your progress of thesis. Summary of thesis progress should be submitted in 1000-2000 words. Use clip file for this purpose. Upon successful presentation (in PowerPoint) you will get continuation grade. The final thesis defense will be held on the last week of class of **Level 4, Term 2**.

ME 370: An industrial training (ME 370) will be arranged which will be held after **Level 4, term 1** final examination.
